Dear Parents and Primary 6 Students,

Form One Admissions Talk - Saturday, 14 November 2026

Founded in 1906, St. Stephen's Girls' College (SSGC) is a Hong Kong Sheng Kung Hui grant school renowned for its commitment to holistic education and the nurturing of future leaders. Our students bring diverse talents and strengths to the school community, excelling in academics, the arts, athletics, community service, and citizenship. Through a supportive and enriching learning environment, we guide each student towards academic excellence and personal growth, building a strong foundation for lifelong success. As a result, our graduates go on to pursue further studies at leading tertiary institutions around the world.

Through the Central Allocation System, approximately 50% of our Form 1 students come from St. Stephen's Girls' Primary School and 50% from a diverse range of other primary schools. In addition, 54 Form 1 places are available under the Discretionary Places Scheme. Our Admissions Talk offers Primary 6 students and their parents an opportunity to learn more about the school, our diverse and enriching programmes, and the comprehensive support we provide to ensure a smooth transition to secondary education. Applications for admission to other Forms are also welcome.

St. Stephen's Girls' College warmly invites prospective Primary 6 students and their parents to a School Tour and Admissions Talk on **Saturday, 14 November 2026**.
